

DURING YOUR VISIT

KEEP YOUR DISTANCE

Please keep a safe distance (12 inches) between you and the works of art. Even clean hands can harm an artwork's surface.

LIGHTEN YOUR LOAD

Bags and purses brought into the museum are subject to inspection. Large bags, backpacks, and umbrellas will need to be checked. Please stop by the Information Desk for assistance.

LEAVE THE LEFTOVERS

Please keep food and drinks out of the galleries. You may purchase refreshments in the Museum Store.

GET A SET OF WHEELS

Wheelchairs and strollers are available free of charge on a first-come, first-served basis. Please stop by the Information Desk for assistance.

FRIENDLY REMINDERS

One of the most important duties of our Gallery Attendants is to remind visitors to remain a safe distance from all works of art. If they approach you, please follow their requests.

TAKE MY PICTURE

You may take pictures of the museum and most artworks. Please ask at the Information Desk about photographing in special exhibitions. Tripods and selfie sticks are not allowed in the galleries.

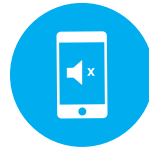

BE INSPIRED

We like to create art, too! Sketchpads that are 14-by-17 inches or smaller and graphite and colored pencils are allowed in the galleries. Easels are not allowed.

TAKE YOUR TIME

There's not just one way to see the museum—take your time and explore both floors.

HOLD MY CALLS

Please turn all electronic devices to vibrate or silent.

QUESTIONS?

If you have questions while you are visiting, please ask the museum staff at the Information Desk.

FAMILY loyalty

Join the museum's FREE Family Loyalty Program today!
Earn rewards for visiting the Amon Carter with your family.

REGISTRATION IN THE MAIN GALLERY.
