

My Visit to the Amon Carter Museum of American Art

I am going to the Amon Carter Museum of American Art!

With my family!

There will be staff to help me check-in.

I will look at art in the galleries.

I will look at art, but not touch art.

I will not eat or drink in the galleries.

I can check out an ARTivity Tote bag to learn about art.

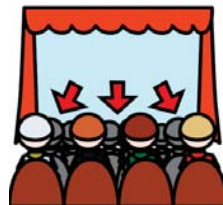

Or pick up an Art Discovery Guide to explore artworks in the gallery.

There will be things to do in the Family Pop-up Space.

I can relax and have quiet time in the Auditorium.

Our day at the Amon Carter Museum of American Art will be fun!
